

COMMUNITY INNOVATION AWARDS

T H E M I L L

Celebrating Company & Individual Success Stories

When it comes to building a regional reputation as a community that's a great place to live and work, we can't be afraid to toot our own horn. The Community Innovation Awards are all about celebrating our community's business successes and star employees. We want to shout from the rooftops, "Look at all the great things people are accomplishing in Bloomington and Monroe County! Come and be a part of our success story."

The Community Innovation Awards recognize company and individual achievement in over a dozen categories. Community members participate in identifying and voting on the best places to work, rising tech startups, MVP employees who drive innovation, and more. Once a year we gather at The Mill with the nominees, friends, and stakeholders to celebrate our outstanding business community and the smart, talented people building a brighter future for all of us.

Your support helps us tell a shared story of our success, in order to attract more of the resources and talent our community needs. Your sponsorship:

- Promotes your organization as a leader within the business community
- Attracts attention from the area's best talent
- Aligns your brand with positivity and success

Thank you for your consideration and support.

A Gala Event!

Award winners are announced at a festive evening party at The Mill.

Attendees are a who's who of Bloomington leaders, star talent, and exceptional employers, startups, and companies.

Global Leaders and Cutting- Edge Startups

Bloomington and Monroe County are home to both globally renowned companies worth billions and promising startups with little more than an idea and a backpack. Opportunity abounds in all shapes and sizes!

The Mill is the heart of southern Indiana's startup ecosystem and its largest coworking space. Our programs help accelerate innovative ideas and technologies into viable startups.
